ADFRESCO CAFÉ BARRIER

The ultimate in quality and design

- Unique patented design
- Polished 3-series stainless steel throughout for excellent outdoor performance and high chip/scratch resistance
- Quick and easy to assemble – simple pictorial instructions and Allen keys provided
- Incredibly user, pedestrian and environmentally friendly
- Fully compliant with Local Authority and Disability Discrimination Act (DDA) requirements

Upper cross rails with easy 'clip-in' attachment – intuitive quick-release operation

Rigid lower cross rails ensure audible 'tap' and resistance for the visually impaired (fully DDA compliant)

14.4kg stanchions for optimum stability. Bases feature durable rubber edges to protect the surface

Unique 'smooth glide' sliding ring:

- Helps to 'spill' wind gusts, improving stability
- Keeps banner flat
- Eliminates rattling and pole damage associated with metal variants

Printed banners available in a choice of materials
